

Mallee Bull

A full-bodied yet deceptively easy-drinking strong ale with great flavour and length. Rapid top-fermentation at a relatively high temperature leads to the development of soft-fruit flavours that, along with a slight tartness, help to complement the full-bodied sweet malt character. [5.6%]

Australian International Beer Awards 2010 – Bronze Medal

Desert Premium

This medium to full bodied lager is balanced by moderate bitterness and hop character. The finish is thirst quenching, but moreish and it makes a great beer for drinking at any time of day, or indeed, any time of year. [4.5%]

Murray Honey Wheat

A soft and mellow beer with subtle wheat and honey flavours. Although the sweetest of the beers in the Mildura Brewery range, Murray Honey Wheat still exhibits a refreshingly crisp character that makes it both easy drinking and moreish. [4.5%]

Australian International Beer Awards 2010 – Silver Medal

Storm Cloudy Ale

Storm is styled as an American Pale Ale that demonstrates fantastic hop character dominated by U.S- grown Cascade. Burnt orange in colour, this beer has medium to high bitterness, giving the beer an assertive quality which is ideal for matching with food. [4.5%]

Sun Light

The use of high quality malt and hops, sourced both locally and internationally allow us to brew a beer that, although low in alcohol, is still busting with flavour. [3%]

Australian International Beer Awards 2010 – Silver Medal

Stefano's Pilsner

Brewed with a blend of Australian Pilsner & German specialty malts and generously hopped with the noble Czech aroma variety, Saaz, this very pale lager demonstrates the finest elements of this classic European style of beer. [5.0%]
