

## Sun Light

Aptly named because Mildura enjoys more hours of sun than even the Sunshine Coast. Sunlight is a quenching, well balanced light beer.

The use of high quality malt and hops, sourced both locally and internationally allow us to brew a beer that, although low in alcohol, is still bursting with flavour.

Using just a sprinkling of roasted raw barley brings out the golden colour of the brew, and contributes to a slightly drier finish, which improves drinkability.

Regular drinkers of light beers will, we hope, appreciate our efforts and Sun Light has consistently captured the attention of the judges at the annual Australian International Beer Awards, ever since winning the Best in Class Trophy in the 2005.

**Alcohol:** 3.0%

**Bitterness:** Medium

**Colour:** Rich yellow

**Body:** Light

**Malt:** Australian Pale Barley Malt, and a touch of roasted barley.

**Hops:** Australian Pride of Ringwood, German Perle and Czech Saaz

**Food:** Fish and Chips
